

Mark Hammett - Director, Small Group Under 10 Lives
Kelly Benefit Strategies

As Director of Small Group (1-10 lives) for Kelly Benefit Strategies (KBS), Mark's responsibilities are to reach new business and retention goals, as well as to oversee sales of health and ancillary products and KBS small group consulting services to new prospects.

Mark has been with KELLY since August of 1996. He received his Bachelor of Science degree in History from Towson University and his Masters in Divinity from Covenant Theological Seminary.
